Standard Pool Opening \$300

- Remove the winter cover/leaf net from the pool and prepare for storage.
- Properly re-install pool equipment and test operation
- Add Opening chemicals to the pool.
- Vacuum leaves from pool.

Please select 2 weeks to be scheduled for closing! Please note openings are dependent on weather and may happen sooner if weather is warm:

1st week of April ____ 2nd week of April ____ 3rd week of April ____ 4th week of April ____

1st week of May ____ 2nd week of May ____

Reminders

- Please have the pump and filter easily accessible to be moved back outside
- Be sure we have easy access to the pool electrical disconnects and that power is turned on.
- Make sure water spigots are turned on and garden hose out to re-fill the pool
- Please allow chemicals to circulate for 1-2 days before bringing in a water sample!
Remember your water is NOT BALANCED at the time of opening. You still have to bring a water sample to BALANCE your pool! Please do so in 1-2 weeks to keep your pool from being damaged.
